

FOUR VEGAS Rock and Roll band is since a long time frequently aired on Italian TV such as **RAI UNO, RAI DUE, CANALE 5, ITALIA 1, RAI INTERNATIONAL** and **Sky Vivo** (ex ch. 109). Since 1999 they promote their passion for music and costumes of the 50s and 60s.

In their fabulous show named **GREASE PARTY** the songs list ranges from **Rock And Roll to Twist** (the Beatles, Ray Charles, Chuck Berry, the Beach Boys and many more) to **Italian-American songs** from the **50s - 60s** (Dean Martin, Frank Sinatra and many more). From about forty songs of **Elvis Presley** to Country music and from **Italian Beat** songs of the **60s** up to famous **sountracks** such as **Grease, The Blues Brothers** and **Happy Days** for a total of about 150 songs known.

More than two hours of funny and exhilarating show carried on with enthusiasm besides the obvious artistic skill.

FOUR VEGAS important latest gigs:
